

We help school children and families

The **Stockdorf Primary School Support Association** provides unbureaucratic help when money is lacking, e.g. for school trips or school materials. And together with the **school**, the **parents' council** and the **parents' representatives** in the classes, we organize help when a winter jacket, shoes or a school bag are needed.

The **municipality of Gauting** and the **Landratsamt Starnberg (district office)** also provide help for children and families. The **Gautinger Insel** helps you to find these offers and fill out applications. Our information sheet gives you an overview.

Together

- **Eltern-Kind-Programm e.V. (EKP):** Children and family programs: www.ekp.de
